

王美锺院长，院长的话

疫后情三问

第一问，疫情期间神学院的事工有什么突破？

第一个突破就是我们很快就回应疫情的挑战转向网络的课程，而且设计出超过十项不同的主修课程，科目内容也回应目前时代的挑战。

第二个突破就是我们开设了MBTS神学论坛，更因为网络之便邀请全球各地的专家、名家前来参与讲授，吸引了数以万计的参加者，影响深远，也有不少回应愿意接受耶稣基督。

第三就是我们年轻的同工团队一起的搭配合作，不断地学习提升自己网络科技的能力以至于能够支持以上的课程和论坛。他们任劳任怨，工作至深夜的态度实在令人佩服。

第四，这期间神学院的老师、同工和学生也进入了社会，参与了救灾还有疫情的防护，并且帮助受苦的人群。我们藉着校友们一起的合作，国内的和国外的，帮助了许多的医院、警察局、贫民区、孤儿院、老人院、社会关怀中心等。

第二问，疫情发生到现在将近三年，你们目前最大的需要是什么？明年的展望和挑战是什么？

一，感谢上帝，在疫情的挑战之中我们并没有松懈，我们也帮助在籍的同学，严谨地把握上课的机会，按部就班地完成学业。2020年我们有135学生毕业，2021年有220位毕业生。今年2022年，将有296位毕业，一切感谢上帝。

二，由于疫情，实体上课的学生明显地减少了。首先是海外的学生没有办法前来，接着在马来西亚各地的学生也因为疫情而观望，并且有一些学生觉得已经适应了网络课程，可以不开家，所以也就没有来校园了。不过，我们还是盼望能够有许多学生可以回来校园接受整全的、全面性的神学装备，同时能够过一段在依山伴水中属灵操练的群体生活，因为这是很难得的经历。

三，全球的经济受影响，基督徒和教会在奉献方面也是充满了挑战，请为神学院的需要祷告。各位爱主的基督徒如果有特别的感动，请凭信心奉献。也请教会继续把神学院的需要列在预算之中，愿上帝亲自报答你们。

四，神学院的讲师们在自我提升方面有两个需要：要更熟悉、更知道怎么去操作网络的教学，而且还要在学术方面不断提升自己。老师们还要兼顾网络学生的出席，在上课中的警醒，这个也是挑战。请为他们的教学及家庭的需要祷告。

第三问，王院长你个人呢？有什么需要我们可以为你代祷的呢？

一，本人今年刚过了60岁，在本院担任院长25年。求主帮助我们夫妻俩心灵活泼，信心活跃，身体健康，有体力有智慧继续在事奉路上奔跑，能够成为多人的祝福。

二，为着神学院的团队来祷告，我个人十分感恩。如今的团队是比以前年轻多了，干劲十足，不过工作繁重，压力也很大，求主帮助他们。愿求主加添更多年轻有恩赐、有韧性能够承担各种事工的讲师和同工，因为接下来神学院的发展需要多面化的人才，全方位的同工。

三，这几年除了要把神学院每一个课程，还有行政的架构做一些的完善调整，能够达到质与量并重。同时也盼望能够把

巴生谷一带的分院事工做好。如果上帝许可也能够在东马设立分院。其他亚洲和欧洲各地的事工，也盼望能够坚固之，以至于能够长久地训练牧养和宣教的同工。

最后，我听到主耶稣问我：“你爱我吗？”我回答说：“主啊，你是无所不知的，你知道我愿意爱你”。

在此分享所写的一首歌为结束：

我愿意爱你

第一节：

鸡啼了第二遍
我流下了眼泪
看到主祢的形象
我羞愧意难堪

祢问我爱祢吗？
再三问我爱祢吗？
主啊祢是无所不知的
祢知道我爱祢

第二节：

我愿意跟从祢
直到世界末了
天涯海角我愿意
十架路我愿意

我要更深爱祢
更深切的认识祢
我要尽心尽意尽全力
主我愿意爱祢

副歌：

我要跟从祢 直到世界的尽头
牧养祢的小羊 喂养祢的小羊
我要听从祢 划桨往水深之处
依祢的话撒网 必要得人如鱼

马浸神神学学会

MBTS Theological Society 2022

坚实的神学根基对教会的健康来说至关重要。为了提升本院学生思考、反省、以及撰写有神学深度真理文章的能力，本院于10月3日为师生举办了“2022神学学会会议”。今年主题为《数码世代中的教会：契机与挑战》，希望借此会议帮助师生反思及讨论有关“网络教会”模式的课题和挑战。会议由李成就博士及黄义信博士主讲，并有21位本科生及研究院的学生发表不同领域的研究，课题包括数码神学、基督教神学、圣经研究、教牧议题及处境化神学。

A solid theological foundation is vital to the health of the Church. In order to enhance the students' ability to think, reflect, and write in-depth theological truth biblically, the seminary held the "2022 Theological Society Meeting" for teachers and students on October 3. This year's theme is "The Church in the Digital Age: Opportunities and Challenges", and we hope to use this conference to help teachers and students reflect and discuss issues and challenges related to the "Digital Church" model. The conference was lectured by Dr. Lee Seng Chiu and Dr. William Huang, and 21 undergraduate and graduate students presented research in various fields, including Digital Theology, Christian Theology, Biblical Studies, Pastoral Issues and Contextualized Theology.

The Digital Turn in Theological Education:
Impact, Challenges and Opportunities

2022 ATA
GENERAL
ASSEMBLY

亚洲神学协会最近在槟城举行了三年一度的大会，主题是《神学教育的数码化转向：影响、挑战和机遇》。疫情导致世界几乎在一夜之间走向数码化。教会和神学院别无选择，只能紧随其后。本次会议邀请了来自各个事工领域的讲员，分享数码技术的优势和劣势。这些专家承认，现在已经没有回头路了，基督教界应该认真考虑利用这个机会来加强教会的门徒训练、见证和宣教。然而，数码技术的使用必须契合福音和个别教会的历史传统。

The Asia Theological Association recently held their triennial general assembly in Penang with the theme "The Digital Turn in Theological Education: Impact, Challenges and Opportunities". The pandemic caused the world to go digital almost overnight. Churches and seminaries had no choice but to follow suit. The conference brought in speakers from various fields of ministry to share on the advantages and disadvantages of digital technology. These experts admit that there is no turning back and the Christian community should seriously consider taking this opportunity to strengthen the church's discipleship, witness, and mission. However, the usage of digital technology must be shaped by both the Gospel and individual church tradition.

MARKETPLACE FORUM

15 Nov (Tuesday) 2022

8:00pm – 9:30pm

A forum organized by the Malaysia Baptist Theological Seminary to answer and discuss the common but difficult questions asked in the marketplace.

The panel of speakers invited are experienced and qualified in their respective fields of Christian ministry, business, law and development.

Key issues: | Ethical conduct in ministry
Effective ministering
Relationship building

“Difficult questions asked in the marketplace.”

1. I want to be without a regular church because of work and business, time conflicts with Sunday worship, etc.
Can I be without a regular church?
2. How should I use the unjust money I have earned?
3. What should I do now that I had two wives before I became a believer?
4. Can we bribe? Is it okay to give more money so that things can be done easily?
5. If there is a financial breach of trust by church leader, should I charge him at court?
6. How can I vote since I can't find righteous candidates nor parties?

And many other questions we struggle with in everyday life.

代祷 事项 *Prayer Item*

- 对教会和神学院来说网络是辅助，不是代替，所以祷告继续有许多献身者回到校园来接受全时间的装备。

For churches and seminaries, the internet is an aid, not a substitute. So pray that the people called to serve God will choose to come to campus to receive holistic training.

- 因着全球和全国经济动荡、通货膨胀，神学院的开销和需要也相应提高。求主供应！愿有感动、有能力者凭着信心奉献，一齐扩展神国，装备工人。

Both the global and national economic turmoil, and inflation have resulted in increased expenditure and needs of the seminary. May the Lord provide! Pray that those who are moved and are able to give by faith can contribute to expand the Kingdom of God and equip workers for His service.

- 中区分院将在年底进行装修，明年要启用。装修费大约40万，求上帝供应。

The MBTSKV Branch newly acquired bungalow will be renovated at the end of the year and is scheduled to be operation next year. The renovation cost is budgeted at RM400,000. Please pray for the needs.

- 请继续为着荣休的老师们的祷告，因他们还是积极地帮助教导和事奉。求主供应他们一切所需，又使他们身体健康。

Please continue to pray for the lecturers who have just retired as they are still actively helping to teach and serve. Ask the Lord to provide for them everything they need and grant them good health.

Fourth, seminary lecturers face two demanding needs in self-improvement. The first is to be more familiar with the know how in operating and conducting online lessons, and the second is the need to constantly improve academically. Lecturers also have to be alert to keep track of the attendance and be vigilant in class, which proves to be a challenge. Therefore, please pray for their teaching and family needs.

The third question: President John Ong, do you have any needs we can pray for you personally?

One, I just turned 60 this year, and I have served as the President of this seminary for 25 years. May the Lord help my wife and I to maintain a lively spirit, active faith, healthy body with the physical strength and wisdom to continue in ministry, in order to become a blessing to many.

Second, I am personally grateful for the seminary team. Today's team is much younger than before, full of energy, even though the work load is heavy, and the pressure is high.

May the Lord help them always. May He add more young, gifted and resilient lecturers and workers, who are capable in undertaking various ministries, because the seminary's next development requires multi-faceted talents and all-rounded workers.

Third, in the next few years, efforts will be put into fine tuning each course offered by the seminary and adjusting its administrative structure, striving to achieve a higher balance in both quality and quantity. I also hope, at the same time, the extension center in the Klang Valley will do well. God willing, I hope to set up a branch in East Malaysia. I also wish other ministries in Asia and Europe can be strengthened so that can train up pastoral and missionary staff constantly.

Finally, I heard the Lord Jesus asking me, "Do you love me?" I replied, "Lord, you know everything, and you know that I love you".

I would like to end by sharing a song I wrote as below:

Yes, I Love You

Verse 1

When the rooster crows for second times
My tears started to flow
Seeing Your image O Lord
I felt shameful and grieved
You asked me, "Do I love you?"
Repeatedly asked me thrice
Lord you are ever knowing
You know it well, I love you

Verse 2

I am willing follow you
Until the end of the world
To four corners I'm willing
To the cross I'm also willing
I want to love you more
Truly and deeply know you Lord
With all heart all might and all my soul
Yes, Lord I love you

Chorus

I will follow you Towards end of the world
Feed Your little sheep Tend Your little lamb
I will obey you Row to deeper waters
Cast my net according to Your words Be fisher of man

MESSAGE FROM THE PRESIDENT, DR JOHN ONG

Three questions about MBTS after the pandemic

The first question: What breakthroughs were made in the ministry of the seminary during the pandemic?

The first breakthrough was us moving towards, online courses in response to the challenges of the pandemic. We designed more than ten programs with different majors, with content corresponding to the challenges of the current era.

The second breakthrough was we organized regular MBTS Theological Forums. Since they were conducted online, we were able to invite experts and famous speakers from all over the world to give talks, which attracted tens of thousands of participants. The impact was far-reaching, and many responded to accepting Jesus Christ.

The third breakthrough was the collaboration and cooperation of our team of young workers who were constantly learning and improving our information technological capability to support the above-mentioned courses and forums. It is admirable that they worked hard till late at night.

Fourth, during this time, the teachers, staff, and students of the seminary were actively involved in the local communities, participating in disaster relief and pandemic prevention efforts, and helping those who were badly affected by the Covid-19 pandemic. Through the cooperation of our alumni, both domestic and overseas, we also managed to offer assistance to many hospitals, police stations, slums, orphanages, nursing homes, social care centres, etc.

The second question: It has been nearly three years since the outbreak of the pandemic. What are your biggest needs now? What are the outlook and challenges for next year?

First, by the grace of God, we have not been slackened by pandemic. We managed to help our current students seize every opportunity in class to complete their studies progressively. We had 135 students graduated in 2020 and 220 in 2021. This year, there will be 296 graduates. Thank God for His guidance.

Second, due to the pandemic, the number of students attending physical classes decreased significantly, since overseas students could not come, local students were cautious due to the pandemic, and some preferred online classes, and hence, there was no reason for leaving home for the campus. However, we still hope that many students can return to the campus in order to receive a holistic and comprehensive theological training, and concurrently enjoy the spiritual disciplined community life in scenic surroundings, which is a rare holistic formation experience.

Third, due to the disruption in global economy, Christians and churches face many challenges in giving. Please pray for the needs of the seminary. Any Christian who loves the Lord and want to support MBTS is welcome to offer by faith. We pray that the churches to continue allocating budget for MBTS theological needs, and may God bless you all abundantly.
